

COMPLICATIONS CAUSED BY MIRENA INTRAUTERINE DEVICE

Women who suffered complications caused by a Mirena IUD, including organ perforation and ectopic pregnancy, have a claim against its manufacturer, Bayer Pharmaceutical Corporation.

The Mirena IUD has come under scrutiny for the harm it has caused, and lawsuits nationwide have been filed asserting that this product is unreasonably dangerous and defective.

**IF YOU, A FAMILY MEMBER, OR FRIEND USED A MIRENA IUD
AND SUFFERED COMPLICATIONS**
